

Recently Resolved Appeals on Centrally Assessed Properties

Last Updated January 05, 2012

The following information is provided as a convenience by the Property Tax Division of the Utah State Tax Commission. The official Notice of Appeal Decisions has been sent to affected counties by the Appeals Section of the Utah State Tax Commission.

The appeals information is initially presented in order by Taxpayer Name. Click on the column headings to change how the information is sorted.

If the outcome of an appeal results in a change in taxable value, click on "Value Changed" in the Outcome column to view the County Breakout Sheet, which presents changes by county tax area. Note: the document will open in a new tab or window, depending on how the browser is configured.

Adobe Acrobat Reader is used to view the breakout sheets; the free reader can be downloaded by clicking [here](#) .
